

Dear Colleague:

This is the official Foreign Language Fair mailing from the Spanish department at BYU. The Fair will be held:

8:00 am - 12:00 noon [Thursday]
2007 > April 19
2008 > April 17
2009 > April 16
2010 > April 15

Opening Assembly in ELWC Ballroom from 8:00 a.m. until 8:20 a.m.
Closing Assembly in ELWC Ballroom from 11:45 a.m. until 12:00 noon.

Please remember that the fair is for **SECOND-YEAR** students and above.

Please read carefully:

1. **Native students** have been designated for all school levels. Please pay close attention to this feature on the registration form. Do not register any natives except in a Native category (the student will be disqualified if competing at a level lower than his or her actual ability). Natives are defined as children who live in a home where Spanish is spoken, or students who have completed an Immersion Program in elementary school.

2. **Total number of students coming**—Please indicate on the registration form the total number of students you will be bringing. This is a critical item in helping us plan for rooms and copies of instructions. Take a moment to ensure that you have filled in the number where asked.

NOTE> 3. **Late Registration Fee**—The deadline for registration is **March 15**. Any forms postmarked or hand-delivered between **March 16 and March 31** will be accepted only if accompanied by a **\$50** late fee. *In addition, registration materials cannot be accepted after April 1st. <--Note!!!*

4. **Bowl and Skit conflicts**—Please **DO NOT** register any Language Bowl team members in Skits. Due to the nature of the Language Bowl playoffs, it is impossible to schedule around any conflicts. The only way to avoid a conflict is to ensure that **NO** student is on both a Bowl team and a Skit team.

You'll find the familiar rules and forms enclosed. Please feel free to copy any or all forms to share with your colleagues or your students.

The Registration Form should be completed and returned as soon as possible, but no later than **MARCH 15**. If you have any questions about the fair, registration or late changes in registration, please call me at 801 422-2282. If I'm not in, leave a message on the phonemail system and I'll return your call--please include in your message the phone numbers and times when I can reach you, especially during evening hours. You may also fax your registration to me at 1-801-422-0628 by March 15.

The Registration form for **Españolandia** is also included. If you have questions regarding the **Españolandia** portion of the Fair, please contact Professor Nieves Knapp at (801) 422-3196.

Registered schools will receive a subsequent mailing by April 3rd that will list Skit schedules and other events' times and locations.

Thank you for your support!

Sincerely,
R. Alan Meredith, Ph.D.
Associate Professor of Spanish

PARKING: All visitors must park their cars in the Visitor Parking Lot. Busses may drop off and pick up students in front of the Museum of Art (MOA) but then must park in Marriott Center Parking Lot on the north end of campus.

Sweepstakes

[Please read the following Rules carefully to avoid disappointments.]

Several years ago we decided to award a Sweepstakes trophy to the school garnering the highest number of points at the Fair. We also considered the idea of Sweepstakes as an indication of excellence and *broad* participation. In doing so, however, we realized that larger schools by their very nature would have an advantage over smaller schools by entering more students in more events. In order to make it possible for smaller schools with high quality programs to be on a somewhat equal footing with the larger schools, we came up with a system that would count only two Superior ratings for each event in which the school entered. This way, if a school entered 100 poems and another only 20, both could be on an even par if at least two students from each school were awarded a Superior in that event. Each event would be assigned varying points based on amount of time estimated to prepare for participation, and on the difficulty of the event.

The system seemed to work for a while, and was further extended to award both a Sweepstakes, a First Runner Up and a 2nd Runner Up for each Division (High School; Junior High; Middle/Intermediate School; and Elementary School. This year, we will offer five trophies at each level: Sweepstakes, 1st Place, 2nd Place, 3rd Place and Honorable Mention.

Over the years we have learned, however, that when a large school with several teachers enters several bowl teams, this leveling attempt may be thwarted in favor of larger schools. Therefore, after careful consideration, we revised our point system to alter the points possible for the Language Bowl. Since that time, rather than count both a 1st and a 2nd place finish in the Bowl from the same school, we count only the higher of the two. That is, if a school has more than one team that finishes in 1st or 2nd place, only one will be counted. (E.g., School A wins 1st place in 2nd year and 2nd place in 3rd year: 35 points are awarded; School B has two teams that go to take 1st place in their respective levels: 35 points awarded; School C has two 2nd place finishers: 25 points awarded.) This will still allow teachers and students to benefit from the preparation and competition involved in the Language Bowl, yet eliminate to some extent the disparity inherent in “big school-little school” competitions. We know the system is far from perfect, but it is the one we have decided to use. ***If you choose to participate, you agree to abide by our decisions.***

The Sweepstakes points will be awarded as follows:

*Only two Superiors in each category or event will count toward the Sweepstakes competition.

**Note: 35 points will be awarded to the finalist in the Language Bowl; 25 points will be awarded to the Team they defeat in the final round (i.e., the runner-up). Schools may *enter* multiple teams if they have several teachers and levels, BUT ONLY ONE Language Bowl Team Finalist or Runner-up will be counted towards the trophies.
